Dear Dr. Glenn:

Attached you will find a letter from each of the sites that have authorized the usage of the bone densitometer at their facility. A diagram of the area showing the location of use is being sent to you under separate cover.

This is further to confirm, that as the authorized physician, I will transport the densitometer to the respective job sites in accordance with 10 CFR Part 35.

Thank you for your review of this information, and I await your approval.

Sincerely,

James A. Nicotero, M.D.
