Re: License No. 45-17151-01

Dear Mr. Wright:

We request that an additional item be included on our most recent amendment which was No. 08. This item is to be used for calibration of pocket dosimeters.

<u>Byproduct Mat'l</u>	<u>Mod. No.</u>	<u>Mfgr.</u>	<u>Max. Activity</u>
Cesium 137	541-205	Victoreen	7 microcuries

Calibration of pocket dosimeters will be accomplished per instructions shown on Victoreen Form 1384A-6-75.

Fee for amendment enclosed per conversation with Ms. Glenda Jackson.

Very truly yours,

Material Testing Laboratories of Va., Inc.
