Sir or Madam:

I would like to have our application for BYPRODUCT MATERIAL LICENSE (License No. 21-14826-02) Control No. 12485 amended, due to the retirement of our RADIATION PROTECTION OFFICER, Mr. Elmer W. McFarlin.

I have worked with Mr. McFarlin in the office and in the field, since 1974. I have also attended the Troxler Electronic Laboratories training course for the use of Nuclear Testing Equipment. Enclosed is a Zerox copy of training certificate.

I would like Section 5 of our application to read Stephen L. Gold, Senior Construction Inspector.

Respectfully,

Stephen L. Gold (SLG)
