

JUN 06 1985

Docket No. 50-255

Consumers Power Company  
ATTN: Mr. R. B. DeWitt  
Vice President  
Nuclear Operations  
212 West Michigan Avenue  
Jackson, MI 49201

Gentlemen:

This is to acknowledge receipt of the two pages with editorial changes to Revision 4 of the Palisades Nuclear Power Plant Site Emergency Plan which were dated May 7, 1985. This revision was received in our office on May 28, 1985.

We have reviewed these editorial changes to the Palisades Nuclear Power Plant Site Emergency Plan and determined that they are consistent with the requirements of 10 CFR 50.54(q) and do not decrease the effectiveness of the emergency plan. These changes are, therefore, acceptable.

Please be reminded that 10 CFR 50.54(q) requires NRC approval of any changes to your emergency plans which may decrease their effectiveness. However, if your safety review assures no decrease in emergency preparedness effectiveness, then such changes may be made without prior NRC approval. In all cases, you must furnish copies of each proposed change to the NRC in accordance with 10 CFR 50.54(q). Also, any changes to the Emergency Plan implementing Procedures should be made in accordance with the requirements of 10 CFR Part 50, Appendix E, Section V.

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter will be placed in the NRC's Public Document Room.
