Dear Mr. Butcher:

LER System Technical Specifications

The Omaha Public Power District has revised its November 18, 1983 application for amendment regarding the LER System, 10 CFR 50.73. The revision was prepared utilizing guidelines provided in Generic Letter 83-43.

In accordance with Reference (2), please find attached forty (40) copies of the revised Technical Specifications and discussion. This revision is intended to replace, in its entirety, that portion of the original application for amendment regarding the LER System Technical Specifications.

Sincerely,

R. L. Andrews
