Bruce Mallet, Chief of Licensing Division
United States Nuclear Regulatory Commission
Region 3
799 Roosevelt Road
Glen Ellyn, Illinois 60137

Dear Mr. Mallet,

Contingent upon the procurement of a Nuclear Regulatory Commission radioactive material license by Nuclear Diagnostics, Inc., Warrenville, Illinois, 60555, we will allow Nuclear Diagnostics, Inc. to perform Nuclear Medicine procedures in George Ade Memorial Hospital, Brook, Indiana, 47922.

Sincerely,

A handwritten signature in dark ink, appearing to read "James Harness".

James Harness
