Gentlemen:

Thank you for your letters of March 17 and April 16, 1981, in response to our letter and the attached Health Physics appraisal report of February 23, 1981. After a review by the Region IV staff, we find that your response to the significant findings and violations identified in the Health Physics appraisal of the Arkansas facility in October 27 - November 7, 1980, is satisfactory. We will review your corrective actions and commitments in a future inspection.

Should you have questions concerning this letter, please let me know.

Sincerely,

John F. Collins for
