Attention: Mr. G. K. Coates  
Project Manager

Gentlemen:

This refers to your application dated December 4, 1967, for renewal of AEC Source Material License No. SUA-551.

Your application, which is presently under review, was not filed thirty (30) days prior to the expiration date of the license. However, for administrative reasons we have considered the application as having been filed on a timely basis as provided by Section 40.43(b) of 10 CFR 40. Therefore, the license shall not expire until a final determination of the renewal application has been made. We will contact you in the near future if additional information is required in support of your renewal application.

Very truly yours,

Donald A. Nussbaumer, Chief  
Source & Special Nuclear Materials  
Branch  
Division of Materials Licensing
