SOCIAL SECURITY NUMBER(S):

VETERAN'S "C" NO.

NATURE OF PROBLEM:

Over 1/3 of the people who signed up for "limited appearances" at the NRC FMI 1 hearings.

It thinks they should have another hearing so the people can be heard. Written responses from the people are not adequate - they can be ignored more easily by the NRC than can spoken responses.

I hereby authorize Congressman Allen E. Ertel or his representative to act on my behalf and to have access to any records pertaining to this matter.
