Gentlemen:

Enclosed is Southwest Research Institutes' (SWRI) test plan entitled, "Nuclear Qualification Test Plan for the Generic Equipment Qualification for Grand Gulf I and Clinton I Nuclear Power Stations." It is requested that your staff review this plan and provide us with your comments by October 15, 1982. You will note several sections of the plan are annotated as "to be included later." SWRI is currently preparing these sections and you will be provided copies as soon as they are available.

The enclosed document contains proprietary information so please treat accordingly. If you have any questions, please contact Al Smith at FTS 728-8217.

Sincerely,

Uldis Potapovs, Chief
Vendor Program Branch
