Gentlemen:

Thank you for your letter of January 6, 1981, in response to our letter dated December 3, 1980. As a result of our review, we find that additional information is needed. Specifically, your response to Item A does not provide any steps that have been taken to prevent recurrence of personnel not following procedure requirements. In regard to Item B, no measures have been provided to assure that all chains and hooks in use by RSV-A are part of the administration system.

Please provide this additional information within 25 days of the date of this letter in order that we may complete our review.

Sincerely,

J. Barnes
