Dear Mr. McCabe:

In reply to your letter dated February 27, 1973, relative to the fire at the Pavement mill in 1955, this office made no investigation of the incident.

If the Atomic Energy Commission made such an investigation, it would have been done through the AEC Directorate of Regulatory Operations, Region IV, 16575 West Colfax Avenue, Room 200, Denver, Colorado 80215. I am directing a copy of your letter and of this reply to that office.

Sincerely yours,

Helger Albrecht, Jr.
Chief Counsel
