Dear Mr. Hendie,

Most certainly we need  
our Nuclear Plants licensed.

The energy is needed,  
now. It is clean and

safe.

Sincerely,  
Mrs Phyllis M. Dalton

Mr Joseph W. Hendrix

Dear Sir -

I'm urging licensing of all nuclear plants.  
Too much time has been wasted on this  
catch issue.

A. lot nuclear energy is no more  
dangerous than riding in an automobile.  
Any help you may give toward this  
important issue will be greatly appreciated.

Sincerely

Virginia Bennett
