Re: Freedom Of Information Act Request

Dear Mr. Grimsley:

I hereby request, pursuant to the federal Freedom of Information Act ("FOIA"), 5 U.S.C. § 552, as amended, and Nuclear Regulatory Commission ("NRC") regulations, 10 C.F.R. Part 9, two original tape recordings made by the NRC Incident Investigation Team which investigated the March 20, 1992 site area emergency at Plant Vogtle. These two tape recordings were made (1) during the March 26, 1990 entrance briefing at Plant Vogtle, and (2) during the April 3, 1990 telephone conference between Plant Vogtle, NRC Region II and the IIT in Washington. Although the NRC delivered the tape recordings to Ann Riley & Associates for transcription, Ms. Riley has informed me that upon completion of the transcript, the tapes were returned to NRC.

For your information, I understand that the tape recordings are or may be in the possession of the administrative assistant to the IIT, Ms. Cherie Siegel, or one of the IIT members: Al Chaffee, Rick Kendall, Bill Lazarus, Bill Jones, Mike Jones, Warren C. Lyon, Harvey Wyckoff, Paul E. Dietz, Garmon West or Gene Traeger.

I am willing to pay the applicable charges for production of the requested tape recordings in accordance with 10 C.F.R. Part 9 up to a maximum amount of \$200.00 and those charges in excess of \$200.00 of which I am notified, and which I approve, in advance.

If you have any questions concerning this FOIA request, please feel free to contact me.

Very truly yours,

John Lamberski
