SERVED JUN 17 1985

ORDER

Intervenors Suffolk County and the State of New York have filed a motion for a stay of the effectiveness of the Licensing Board's June 14, 1985 partial initial decision,¹ in which the Director of the Office of Nuclear Reactor Regulation was authorized to issue a license permitting the operation of the Shoreham nuclear facility at levels up to five percent of rated power. Responses to that motion are to be in the hands of this Board by 10:00 a.m. on Wednesday, June 19, 1985.

So as to preserve the Board's jurisdiction over the motion in the interim, and for that reason alone, the effectiveness of the June 14 partial initial decision is hereby stayed ex parte pending further order of the Board.
