After the report has been reviewed by the Commission's regulatory staff, a Draft Detailed Statement on environmental considerations related to the licensed activity will be prepared. Upon completion of the Draft Detailed Statement, the Commission will, among other things, cause to be published in the FEDERAL REGISTER a summary notice of the availability of the Applicant's Environmental Report and the Draft Detailed Statement. The summary notice will request, within thirty (30) days or such longer period as the Commission may determine to be practicable, comments from interested persons on the proposed action and on the Draft Detailed Statement. The summary notice will also contain a statement to the effect that the comments of the Federal agencies and State and local officials thereon will be made available when received.

Dated at Bethesda, Maryland this 20th day of December 1971.
