BRANCH

Attention: Docketing and Service Branch

Dear Sirs:

We wish to respond to the ANPRM of 10 CFR Parts 30, 40, 61, 70 and 72 contained in Federal Register Vol. 50 No. 110 dated Friday, June 7, 1985. We wish specifically to endorse the proposed rule exempting licensed State, Federal government or other self insured public authorities from the requirements of proving financial responsibility. The taxing power of the government of the State of Michigan is available to assume responsibility for cleanup. As a public agency we are well aware of our responsibility to the public and environment and have been responsive to their needs.

Sincerely,

MATERIALS AND TECHNOLOGY DIVISION
