Dear Mr. Wright,

As mentioned in our telephone conversation of 16 April 1985, in the midst of the confusion surrounding the new licenses for West Virginia Hospitals, Inc. and West Virginia University, we did not notice that license 47-01163-24, issued to West Virginia University was due to expire on 30 April 1985.

Therefore, we would like to request a 90 day extension of license 47-01163-24 to allow us time to prepare the renewal documents.

Sincerely,

*William E. Collins*
