NOTICE OF VIOLATION

Community Radiology of Virginia, Inc.  
Bluefield, Virginia

Docket No. 030-32887  
License No. 45-25216-01

During an NRC inspection conducted on December 8, 1992, violations of NRC requirements were identified. In accordance with the "General Statement of Policy and Procedure for NRC Enforcement Actions," 10 CFR Part 2, Appendix C, the violations are listed below:

- A. 10 CFR 35.50(b)(2) requires, in part, that a licensee test the dose calibrator for accuracy upon installation and at least annually.

Contrary to the above, the licensee installed and put into use a dose calibrator on September 21, 1992, and used it to measure patient doses until the day of the inspection and did not test it for accuracy.

This is a Severity Level IV Violation (Supplement VI).

- B. 10 CFR 35.50(b)(3) requires, in part, that a licensee test the dose calibrator for linearity upon installation and at least quarterly.

Contrary to the above, the licensee installed and put into use a dose calibrator on September 21, 1992, and used it to measure patient doses until September 25, 1992, and did not test it for linearity.

This is a Severity Level IV Violation (Supplement VI).

Pursuant to the provisions of 10 CFR 2.201, Community Radiology of Virginia, Inc. is hereby required to submit a written statement or explanation to the U. S. Nuclear Regulatory Commission, ATTN: Document Control Desk, Washington, D.C. 20555 with a copy to the Regional Administrator, Region II, within 30 days of the date of the letter transmitting this Notice of Violation (Notice). This reply should be clearly marked as a "Reply to a Notice of Violation" and should include for each violation: (1) the reason for the violation, or, if contested, the basis for disputing the violation, (2) the corrective steps that have been taken and the results achieved, (3) the corrective steps that will be taken to avoid further violations, and (4) the date when full compliance will be achieved. If an adequate reply is not received within the time specified in this Notice, an order or demand for information may be issued as to why the license should not be modified, suspended, or revoked, or why such other action as may be proper should not be taken. Where good cause is shown, consideration will be given to extending the response time.
