SUMMARY

I told Dr. Bischoff that I believed NLO (National Lead of Ohio) did not have an NRC license for uranium. He checked with NLO and found that to be correct. He also stated that NLO acted only as a courier in this case and as an agent for D.O.E. under contract # DE-AC05-76OR01156 (Exp. 4/86). This was done at the recommendation of D.O.E., i.e. D.O.E. requested that their material be returned to them.
