U.S. Nuclear Regulatory Commission
Washington, D.C. 20555
Dear Sir/Ms,

I believe we would benefit from having a public meeting on the decision of whether to allow the increase storage capacity of the Quad-Cities Nuclear Power Station. The area in which I live is a evacuation spot if any difficulty occurs at the Quad-Cities Plant. Your assistance in making a public hearing available to us is appreciated. Thank you.

Yours truly
Patrick J. Gallagher
