the Regents of the University of California
(UCLA Research Reactor)
Docket No. 40-142
(Proposed Renewal of Facility License)

RE: COPYING OF PORTIONS OF CERTAIN OPERATING LOGS AND SETTING OF TIME FOR
ADDITIONAL DOCUMENT REVIEW

Dear Mr. Cormier:

On May 21 and 22, 1981, from 1:00 to 5:00 p.m., representatives of Intervenor, Committee to Bridge the Gap, reviewed certain operating logs regarding the UCLA nuclear reactor. My client wishes to continue that document review on Tuesday, June 2, from 1:00 to 5:00 p.m. Please contact my client directly by 5:00 p.m., Friday, May 29, to confirm that time and date and to provide room number and location. My client can be reached by calling Dan Hirsch weekday afternoons at (213) 473-0829.

In addition, Mr. Hirsch informs me that he was told by your representatives at document review on May 21 that the 1981 operating log would not be provided because we had allegedly not requested it. Please note that there was an explicit request for said log in my April 24 letter to you arranging for the viewing that eventually took place on May 21 and 22. I trust that the 1981 log will be produced at the next document review period.

Finally, Intervenor hereby requests copies be provided of the following pages of the following logs:

1975 log: pages 1, 5, 9, 13, 17, 33, 77, 81, 85, 93, 97, 109, 113, 117, 125-6, 133, 145, 151, 155, 193, 197, 199, 201, 210, 235-6, 237, 361, 385, 301, 417, 423, 427, 409, 443, 451, 471

1974 log: 5, 6, 7, 8, 13, 29, 45, 53, 77, 109, 143, 155-8, 203, 213-6, 217, 293-5, 289-91, 315-19

* for this log, pages referred to are numbered remarks sheets
