Coordinator, Radiation  
Health and Safety  
Kerr-McGee Building  
Oklahoma City, Oklahoma 73102

Gentlemen:

This will acknowledge receipt of your letter dated January 26, 1971, reporting the exposure of an individual to radioactive material at your Sequoyah plant. This matter will be examined during the next inspection of your facilities.

Very truly yours,

Original signed by  
L.D. Low
