Dear Sir:

I would like to obtain from your agency a copy of AEC Special Nuclear Materials License # ~~SNM-1174~~ and also License # ~~SNM-928~~. Included with the Licenses, I would also request any amendments that were made to the licenses. The Licenses belonged to the Kerr-McGee Nuclear Corporation's Cimarron Facility in Crescent, Oklahoma. I am sure you are aware that the Facility has been closed since 1975. I can see no justifiable reason why this request should be denied. If for some reason it is, please provide with the address to which I can appeal my case.

I am thanking you in advance for answering my letter. Your prompt consideration would be appreciated.

Sincerely,

Melody Carole Johnson
