FOIA-85-118
Rec'd 2-20-85

Dear Sir:

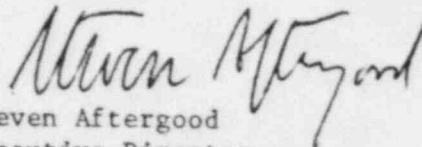

This is a request under the Freedom of Information Act, as amended.

I would like to receive the complete final technical report of the Industry Degraded Core Rulemaking (IDCOR) Program on severe accident consequences, which was recently provided to the NRC.

The Committee to Bridge the Gap is a non-profit environmental research organization. The material requested will be used in CBG's ongoing review of the research on source terms, performed in the public interest and without profit. We therefore request a waiver on production costs.

Thank you.

Sincerely,

Steven Aftergood
Executive Director
