Dear Dr. Morales de Román and Mr. Franceschi:

SUBJECT: CONDITIONAL APPROVAL OF PERFORMANCE IMPROVEMENT PLAN

This refers to your letters dated August 21 and December 2, 1992, in which you submitted your proposed Performance Improvement Plan (PIP) and requested an extension for your response to our letter dated November 17, 1992, respectively. Our letter dated November 17, 1992, expressed concern regarding timeliness in the hiring of a dosimetrist, as described in your August 21, 1992 letter, and requested that, by December 17, 1992, a revised PIP be submitted clearly defining how the Radiation Safety Officer and teletherapy physicist functions will be implemented effectively prior to July 1993.

In order to expedite your proposed improvements, we hereby conditionally approve your proposed PIP dated August 21, 1992, pending the resolution of the issue discussed in our letter dated November 17, 1992. We also accept your request to extend the deadline of your response to our letter dated November 17, 1992, to January 12, 1993.

Sincerely,

J. Philip Stohr
