Docket No. 50-289

Mr. Henry D. Hukill, Vice President
and Director - TMI-1
GPU Nuclear Corporation
P. O. Box 480
Middletown, Pennsylvania 17057

Dear Mr. Hukill:

My letter dated October 19, 1984 provided the staff's Safety Evaluation of your licensed operator requalification program. We concluded that your program is accepted but requested clarification of your policy for retaining records. Your letter dated December 3, 1984, provides the needed clarification.

We also expressed interest in any additional information you could provide regarding your basic principles training simulator and acknowledge your February 27, 1985 letter providing the available information. Because the simulator is not currently used to certify operator performance, no further staff review is needed.

Sincerely,

"ORIGINAL SIGNED BY
JOHN F. STOLZ"
