Re: Vicinity Properties Monthly Report,
June, 1985
Contract No. DE-AC04-82AL14086

Dear John:

Enclosed for your information is the Vicinity Properties Monthly Report for June. The report is intended to provide a brief summary of the status of vicinity property remedial action at each site and the progress of engineering and management activities during that month and for the fiscal year. In addition, the Forecasted/Actual Milestone Status Reports are attached for your reference. These reports illustrate actual progress against forecasted milestone activity for each site and for each month this fiscal year.

Also attached for your signature is an acknowledgement of the delivery of this report for our contract files. Should you have any questions, please contact Philip Stassi of our staff or me.

Very truly yours,
JACOBS ENGINEERING GROUP, INC.
