

7/16/90

Phone call from Harvey Wyckoff (EPRI). He spoke w/industry people (NIMARC, etc). Received positive feedback. They thought it was a constructive, helpful report. Dr. Seung Oh (EPRI) will be assigned that portion of the report presented by Warren Lyon. (Dr. Oh is an expert on thermal/hydraulics.) According to Wyckoff, this project will take about a year and will take code modifications
