RESPONSE TO INSPECTION REPORT NOS. 50-325/92-27 AND 50-324/92-27

Gentlemen:

The purpose of this letter is to confirm that Carolina Power & Light Company intends to resubmit the Company's response to NRC Inspection Report Nos. 50-325/92-27 and 50-324/92-27. The amended response will supersede in its entirety CP&L's letter dated November 25, 1992 (Serial: BSEP-92-0045). The new response will be submitted by December 22, 1992. This was discussed between myself and Mr. S. D. Ebnetter on December 10, 1992.

Please refer any questions regarding this submittal to Mr. S. D. Floyd at (919) 457-2404.

Yours very truly,

R. E. Morgan
