Dear Mr. Sweeney:

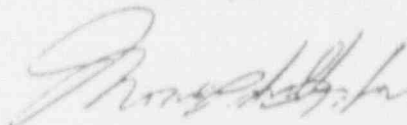

This is to confirm your telephone conversation of May 24, 1985, with M. G. Schumacher of my staff concerning the NRC survey of the SCA landfill and adjacent MDNR property in Kawkawkin, Michigan. The survey team from Oak Ridge Associated Universities (ORAU) headed by Linda Sowell should arrive the morning of June 24, 1985.

We plan for a representative of this office to be present during a portion of the survey.

I am also enclosing a letter, with attachments, sent to Mr. Daniel Schultz, Michigan Department of Natural Resource, concerning wording of property markers and deed restrictions for the SCA site. We would appreciate receiving documentation showing the language used for these purposes.

If you have any questions regarding the matters, please call Mr. Schumacher or myself at (312) 790-5500.

Sincerely,

C. J. Paperiello, Chief
