To whom it may concern:

Pursuant to the Freedom of Information Act, I am writing to request a copy of an NRC license for the Bendix Electric Power Division facility located on Highway 35 in Eatontown, New Jersey 07724. I had previously contacted the NRC Region I Public Affairs office in King of Prussia, Pennsylvania for information concerning the above requested license. NRC Region I informed me that this license was apparently archived at NRC headquarters. The license was terminated in 1969 and may have been listed under Bendix Aerospace Division, Signal Light Inc. or General Instrument Corporation. The NRC number for the requested license is #29-0445901.

Please respond to the below address as soon as possible. If there are any problems concerning this request or if you should require additional information, please contact me at (201) 460-6113. Thank you for your cooperation.

Very truly yours,
