K. KEITH ROE
PRESIDENT

June 10, 1985

U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Attention: Mr. G. G. Zech, Chief Vendor Programs Branch
Division of Quality Assurance, Safeguards, and
Inspection Programs

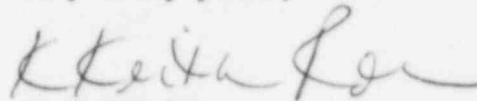

Dear Mr. Zech:

As required by the Burns and Roe Topical Report (B&ROE-COM-1-NP-3A)
the following organizational changes are submitted for your information.

1. Mr. John W. DeLooper, Corporate Quality Assurance Manager -
now reports directly to me.
2. The position of Quality Assurance Director (a position formerly
held by Mr. T. A. Hendrickson) has been eliminated.

These organizational changes were implemented on May 20, 1985. These
changes have been made with utmost care to assure that the require-
ments of our Topical Report are effectively implemented.

Very truly yours,

K. Keith Roe
