

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

DOCKET NUMBER
PROD. & UTIL. FAC. 50-289,326

JUN 8 1981

The Honorable Manuel Lujan
United States House of Representatives
Washington, D.C. 20515

Dear Congressman Lujan:

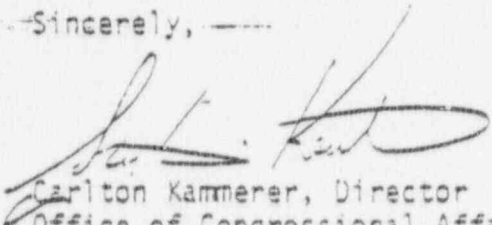

Thank you for your letter of May 19, 1981, on behalf of your constituent Joesph Jolly of Rio Rancho, New Mexico, who mentions recent reports concerning the accident at Three Mile Island Unit 2.

As you know, there were numerous reports by various task forces and congressional committees which investigated the TMI accident. It is unclear from Mr. Jolly's letter which of these he has in mind.

The Commission itself appointed a Special Inquiry Group headed by Washington attorney Mitchell Rogovin. I am enclosing for Mr. Jolly's information a copy of the final report of the Special Inquiry Group.

I hope that this information is helpful in responding to your constituent.

Sincerely, _____

Carlton Kammerer, Director
Office of Congressional Affairs
