Dear Sirs,

I wish to correct a facility address on our NRC license  
#20-00742-18 (amendment #13).

The Post Office has given our facility listed as 7 Avenue  
Louis Pasteur, BOSTON, MA 02215 the following address:  
41 Avenue Louis Pasteur, BOSTON, MA 02215. In addition  
Beth Israel Hospital has renamed the building from  
"Emmanuel Science Building" to "Research East"

Thus item #10 on our license should now read:

"Licensed material shall be used only at Beth Israel  
Hospital, 330 Brookline Avenue, Boston, Massachusetts.  
Licensed material may also be used, only for in-vitro  
research, at the Hebrew Rehabilitation Center for the  
Aged, 1200 Centre Street, (Roslindale), Boston,  
Massachusetts and for in vitro and in vivo animal research  
at Research East, 41 Avenue Louis Pasteur, Boston,  
Massachusetts.

This facility has just opened. It is my understanding that  
an address change does not need an amendment fee. If I am  
in error (or you have any questions) please notify me at  
(617) 725-2510 and I will arrange to have a check mailed.

Sincerely,

*M. Rosemary Kennedy*
