The Honorable Ivan Selin
Chairman
Nuclear Regulatory Commission
Washington, DC 20555

Dear Mr. Chairman:

Enclosed are two documents redelegating to the Nuclear Regulatory Commission operational and lease management responsibilities, as determined by our staffs, to the One White Flint North, Phillips, East-West Towers, Fairmont, and 5000 Boiling Brook buildings.

Based on the General Services Administration's projected operating budget for these locations, we propose to allocate \$2,715,050 for real property operations for fiscal year 1993. The effective date of this redelegation is retroactive to October 1, 1992.

Please sign both documents and return one to us so that we may effect this delegation.

Sincerely,

Richard G. Austin
