License No. 20-00289-10

Gentlemen:

The New England Deaconess Hospital Corporation requests to amend our NRC License number 20-00289-10 (CATEGORY 3E). Enclosed is a check for \$ 250.00 to cover the cost of this amendment.

We will be purchasing another Gammacell 1000 Elite, Model A, from Nordion International Incorporated in Kanata, Ontario, Canada. This unit is a self-contained irradiator which will be used in Room 522 SOUTH at 21-27 Burlington Avenue, Boston, Massachusetts. This unit will contain no more than 800 curie of Caesium 137.

Since this is our third self-contained irradiator, all conditions specified in our renewal application of 22 May 1991, will also be applicable to this unit.

If you need additional information, please call me at 617-732-8509.

Thank you.

Sincerely,

Philip Cobb
Radiation Safety Officer
