Docket No. 50 - 602

Dr. Dale E. Klein, Director  
Nuclear Reactor Laboratory  
University of Texas  
Austin, Texas 78712

Dear Dr. Klein:

SUBJECT: FINANCIAL INFORMATION FOR CONSTRUCTION PERMIT

The staff has reviewed the financial information which you submitted on November 9, 1984 with your application for construction permit and has concluded that you have demonstrated reasonable assurance that the University can obtain the funds necessary to cover the estimated construction costs, the related fuel cycle costs, the operating costs and the decommissioning costs.

Because the University funding of the reactor construction is contingent upon receipt of a construction permit from the Nuclear Regulatory Commission (NRC), we request that when the funding approval is obtained, a copy of it be submitted to the NRC.

If you have any questions, please contact Angela Chu, our project manager for your facility, at (301) 492-9798.

Sincerely,
