Re: Texas Utilities Electric Company, et al.
(Comanche Peak Steam Electric Station, Units 1 & 2);
Docket Nos. 50-445-1, 50-446-1, 50-445-2 and 50-446-2

Dear Administrative Judges:

On July 18, 1985, CASE filed in Docket-2 a motion to compel discovery from Applicants regarding the MAC Report. On July 22, 1985, a similar motion was filed by CASE in Docket-1. These motions responded to Applicants' July 8, 1985, answer to CASE's earlier motion for discovery on the MAC Report. The Licensing Boards in both dockets ruled on CASE's original motion in Memo-randum and Order (Motions Related to the MAC Report), dated July 22, 1985. In view of the Boards' disposition of this matter, Applicants do not intend to respond to CASE's motions to compel. Applicants will respond to CASE's discovery requests consistent with the Boards' Memorandum and Order.

Sincerely,

Nicholas S. Reynolds
Counsel for Applicants
