Dear sirs:

I am requesting renewal of my radioisotopes license 06-17253-01 in accordance with your letter of 13 November. Neither uses of the sealed sources in my possession, nor personnel, nor protection program need change at this time. Therefore, I am merely enclosing duplicate copies of my last application and supporting documents. I include also a copy of the Daybreak product brochure that describes the measurement apparatus in place here. I enclose the license renewal fee of \$170.

Thank you very much, and Merry Christmas!

Sincerely yours,

*Victor J. Bortolot*
