Subject: **Decommissioning Funding Plan**

Dear Mr. Hickey:

On February 12, 1992 Combustion Engineering described its intention to submit a  
Decommissioning Funding Plan for our Harnatite facility (SNM License No. SNM-33),  
"on or about December 31, 1992."

As we recently discussed with your Dr. S. Soong, a draft of that plan is now in final  
stages of internal review and baring any unforeseen problems, we expect its completion  
within the next few weeks. If there are any changes to this schedule, we will contact you  
or your staff.
