Dear Mr. Mandler:

Subject: Inspection No. 030-31395/92-001

This refers to a special safety inspection performed by Ms. Penny Nessen and Mr. Frederick Urban of this office on December 31, 1991, and a routine safety inspection performed by Mr. David Everhart of this office on November 24 and 25, 1992 at the above address and other facilities as stated in the enclosed report. The inspections were an examination of your licensed activities as they relate to radiation safety and to compliance with the Commission's regulations and the license conditions. The inspections consisted of observations by the inspector, interviews with personnel, and a selective examination of representative records.

The findings of these inspections were discussed with you at the conclusion of the inspections.

A copy of the NRC inspection report is enclosed.

Based on the results of these inspections, it appears that your activities were not conducted in full compliance with NRC requirements. A Notice of Violation is enclosed as Appendix A and categorizes each violation by severity level in accordance with the "General Statement of Policy and Procedure for NRC Enforcement Actions," 10 CFR Part 2, Appendix C (Enforcement Policy). You are required to respond to this letter and in preparing your response, you should follow the instructions in Appendix A.

Please use the enclosed self-addressed green envelope when you respond to this letter to assist you in the timely processing of your response.
