Gentlemen:

This letter is in response to your letter dated 11 March 1991.

The following violations were identified in the NRC Inspection of January 29 and 30, 1991, and were corrected or will be corrected as stated below:

1. The ionization survey instrument in the Nuclear Medicine Department was calibrated on 6 February 1991. The next calibration date will be prior to 6 October 1991.
2. Patient injections will now be performed in existing examination rooms. This area will be posted with signs indicating: **NUCLEAR MEDICINE DEPARTMENT - AUTHORIZED PERSONNEL ONLY - NOT A PUBLIC WAY**. This violation will be corrected no later than 30 April 1991.

If you need additional information, please call me at 617-732-8509. Thank you.

Sincerely,

Philip Cobb
