Mr. A. W. Snyder, Director  
Nuclear Fuel Cycle Programs  
Sandia National Laboratories  
Albuquerque, New Mexico 87115

Dear Mr. Snyder:

Your letter, dated July 10, 1984, conveyed a Foreign Travel Request (NRC Form 445) for Dr. T. E. Blejwas. The proposed travel is approved with the modification that the location of the US-FRG Core Melt meeting has been changed to Obrigheim, FRG. I understand that Dr. Larkins, of the NRC staff, has informed Dr. Blejwas of this change.

The approved NRC Form 445 is enclosed.

Sincerely,

A handwritten signature in dark ink, appearing to read "Guy A. Arlotto".

Guy A. Arlotto, Director  
Division of Engineering Technology
