

June 15, 1992

MEMORANDUM FOR: John F. Stolz, Director
Project Directorate I-4
Division of Reactor Projects - I/II

FROM: James W. Andersen, Acting Project Manager
Project Directorate I-4
Division of Reactor Projects - I/II

SUBJECT: ERRATA SHEET FOR THE JUNE 1, 1992 MEMORANDUM, FROM
D. JAFFE TO J. STOLZ, SUBJECT: ERRATA SHEET FOR THE MAY 19,
1992 MEMORANDUM FROM A. THADANI TO S. VARGA, SUBJECT:
"MILLSTONE 1 ECCS ANALYSIS WITH OR WITHOUT FEEDWATER
COOLANT INJECTION FAILURE"

The memorandum dated June 1, 1992, incorrectly identified the date for the memorandum from S. Varga to A. Thadani as May 19, 1992, the actual date was May 13, 1992. This change is necessary to avoid confusion.
