Reference: Ohmart License #34-00639-01

Dear Gentlemen:

Since we have had no significant readings in all the years these counts have been made, except as the result of a spill some years ago, we are proposing to reduce the frequency of the whole body counts from once a year to once every two years.

We will continue to have counts made following any applicable incident.

Sincerely,

THE OHMART CORPORATION

Andrew J. Livingston
Radiation Safety Officer

AJL/ba
