RE: Lic # 29-28647-01

This is to advise you that Danmor Radiology Center has closed the imaging portion of the lab at the end of July and we would like to terminate this license. We are no longer using radioactive equipment. An administrative office still remains open at another location.

Should you have any questions, please feel free to contact me.

Sincerely,

Allen C. Pomerantz, M.D.

Attn: Nuclear Materials Section

Dear Sir or Madam:

I am writing this letter in reference to termination of License #29-28547-01 of the licensee: Danmor Radiology Center, 224 Taylors Mills Road, Manalapan, New Jersey 07726. At no time was any radiopharmaceutical used, or Nuclear Medicine procedure ever performed at this facility or under this license number.

An unfortunate turn of events was recently relayed to me by Danmor Radiology about the dissolution of the practice and therefore, there is no need to continue this license at this facility.

I apologize for any inconvenience that this has created, and can be reached at 516-754-7123 if any further clarification is necessary.

Thank you,

Thomas D'Alessandro, M.D.
