James M. Taylor
Executive Director for Operations
Nuclear Regulatory Commission
Washington, DC 20555

Dear Mr. Taylor,

I am writing on behalf of a constituent of mine, a Mr. Paul Rosenbaum, President of Cameo Diagnostic Centre, Inc. in Springfield, MA. Mr. Rosenbaum has run into a problem with the Nuclear Regulatory Commission and getting his by-product material license renewed.

I have enclosed the letters he has sent to my office so that you can review the specifics of his case. Mr. Rosenbaum contacted my office requesting a meeting be set up with you and him to discuss this matter in order to reach a resolution. I am writing to you to see if a meeting would be something you would be willing to participate in.

Please let me know if this can be arranged. Please contact Mr. Rosenbaum directly at Cameo Diagnostics, telephone number (413) 788-7000, or call my office at (202) 225-5601 if you have any questions.

Sincerely,

RICHARD E. NEAL
Member of Congress
