RE: Invoice Number AM00352-92

Dear Sir/Madam:

Concerning the above referenced invoice, I refer you to my letter of August 27, 1992. The material submitted with that letter indicates that we voluntarily surrendered our NRC License and supports our contention that this department is exempt from having to pay the fee.

If you require any additional information to clarify this issue, contact me, at your convenience, at the Worcester Department of Public Health and Code Enforcement, 25 Meade Street, Worcester, Massachusetts 01610. Telephone (508) 799-8533

Sincerely,

John A. Gagliastro
Director of Public Health
