Reference: Quality Assurance Program Approval for Radioactive Material  
Packages No. 0380, Docket 71-0380.

Dear Mr. MacDonald:

The General Electric Company requests renewal of the referenced quality assurance program approval. The approval is based on an NRC-approved quality assurance plan meeting the requirements of 50 CFR Appendix B. The most recent approval for this plan was received on April 19, 1985, from the Vendor Programs Branch of the Office of Inspection and Enforcement.

— A renewal fee check for \$150.00 will follow under separate cover.

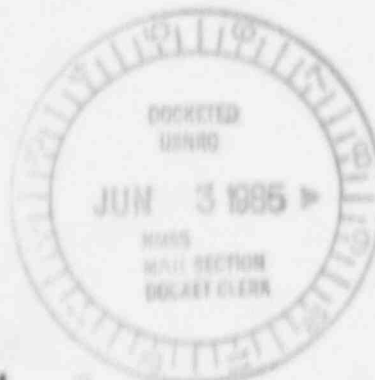

Sincerely,

  
G. E. Cunningham
